Your Greanwold's World Minosaur

Greanwold's is a multi-media children's website with a global multi-player web game, video games, chat rooms, contests and E-commerce and much more. Based on the adventures of Greanwold and the Minosaurs, funny, mysterious creatures from an old world, children ages 6 - 11 work together to rebuild the lost world of the Minosaurs. Children purchase a Minosaur from the selection available. Each Minosaur comes with a registration number that allows a child to log onto the website and adopt a virtual version of their Minosaur. This number allows children to join Greanwold's World providing only first name and a parents email address. Members use their Minosaur or Minosaurs to help rebuild Minosaurs' lost world. The contests and video games are available for different ages and new games, challenges and contests are ever changing on the Greanwold website.
